

Subject | Castellón Hotels list 2016

Universitat Jaume I has negotiated special rates in the following list of hotels. In order to make a reservation, the participant is required to make his/her booking by sending an email to the hotel mentioning “NANOUP TAKE (Universitat Jaume I)”. All the prizes include breakfast and VAT.

Although the hotels near the railway station are closer to the university, the participants will be accompanied from the different hotels to the place where the event will take place.

If any doubt, comment and/or suggestion, contact with Isabel Giménez igimenez@uji.es
